

Define Problem Statements

Project Name : ShopEZ – MERN Stack E-Commerce Application

Date : 17 June 2026

Problem Statement 1

Field	Description
I am	An online shopper
I'm trying to	Find products quickly and purchase them online
But	I struggle to locate relevant products and compare options efficiently
Because	Many platforms have poor search and filtering capabilities
Which makes me feel	Frustrated and wastes time

Problem Statement 2

Field	Description
I am	A small business owner
I'm trying to	Sell products online efficiently
But	Managing an online store is expensive and technically challenging
Because	Existing platforms provide limited customization and flexibility
Which makes me feel	Overwhelmed and restricted

Proposed Solution

ShopEZ is a MERN-stack e-commerce platform designed to provide a seamless shopping experience for customers while enabling businesses to manage products, orders, and payments efficiently through a modern web application.
